Education

Michigan State University, Computer Science, East Lansing   September 2021 – May 2025
Candidate for Bachelor of Science, College of Engineering
- Dean's List (Fall 2022)

Coloma High School, Coloma, MI   September 2015 – May 2020

Work Experience

Michigan State University Service Center, East Lansing, MI   March 2023 – Present
Service Center Representative
- Utilized a systematic approach to resolve complex resident conflicts, fostering an environment of understanding and cooperation.
- Effectively resolved resident concerns, conflicts, and all issues in a timely and professional manner, ensuring resident satisfaction and conflict de-escalation.
- Managed front desk operations and provided information, assistance, and guidance to dormitory residents and visitors, fostering a positive living experience.

Lake Michigan Hills Golf Club, Benton Harbor, MI   July 2019 – November 2020
Golf Cart Attendant
- Utilized strong interpersonal and collaborative abilities while helping lead a team, proactively engaged club members in long-form dialogue to provide comprehensive information regarding the golf course and clubhouse amenities.

Projects

Personal Portfolio Website   July 2023
- Independently conceptualized, designed, and constructed a dynamic portfolio website from scratch using the Bootstrap framework, HTML/CSS/Sass, and hosting on GitHub Pages. Utilized a variety of online resources to learn or to better understand the framework and languages.

Intro to Engineering Design Course, East Lansing, MI   September 2021 – December 2021
- Led a cross-functional team of four in the visualization and construction of a solar-powered vehicle, applying the methodologies of engineering design. Demonstrated adept problem solving skills and facilitated conflict resolution within the group, fostering a collaborative environment.
